

9:00	Registration
9:20	Welcome
9:30	Keynote Prof. Thomas Yeo <i>Precision brain network mapping at population scale</i>
10:30	Invited speaker Dr Nandi Vijayakumar: <i>Early life adversity and the developing brain</i>
11:00	Coffee Break and Poster Session 1
11:45	EMCR Presentations (5 x 9 minutes) 1. Dr Ashley Stewart: <i>QSM-CI: An automated benchmarking platform for Quantitative Susceptibility Mapping</i> 2. Dr Navid Shams Masjedi: <i>Resting-state effective connectivity between the claustrum, cortex and subcortex in humans under psilocybin</i> 3. Dr Michèle Masson-Trottier: <i>CALMaR: an open, governance-ready pipeline for automated lesion mapping and evidence-anchored aphasia reporting</i> 4. Dr Susmita Saha: <i>Identifying Heterogeneous Neurodegenerative Trajectories Using Longitudinal Multimodal MRI and Machine Learning</i> 5. Dr Xiaobo Liu: <i>A Dynamic Cortical Switchboard for Bottom-Up and Top-Down Information Routing</i>
12:45	Lunch
13:30	Poster Session 2
14:15	Early Career Award Winner
14:30	Emerging Leadership Award Winner
14:45	Invited speaker Dr Claire O'Callaghan: <i>Rippling towards the brain-wide dynamics of spontaneous thought</i>
15:15	Coffee Break
15:45	Invited speaker Dr Luke Hearne: <i>Aligning transformer circuit mechanisms to neural representations in relational reasoning</i>
16:15	OHBM Australia AGM
17:00	Drinks Schotts Bar (cash bar, QIMR Berghofer L6)

Thank you to our generous sponsors:

OHBM
AUSTRALIAN
CHAPTER

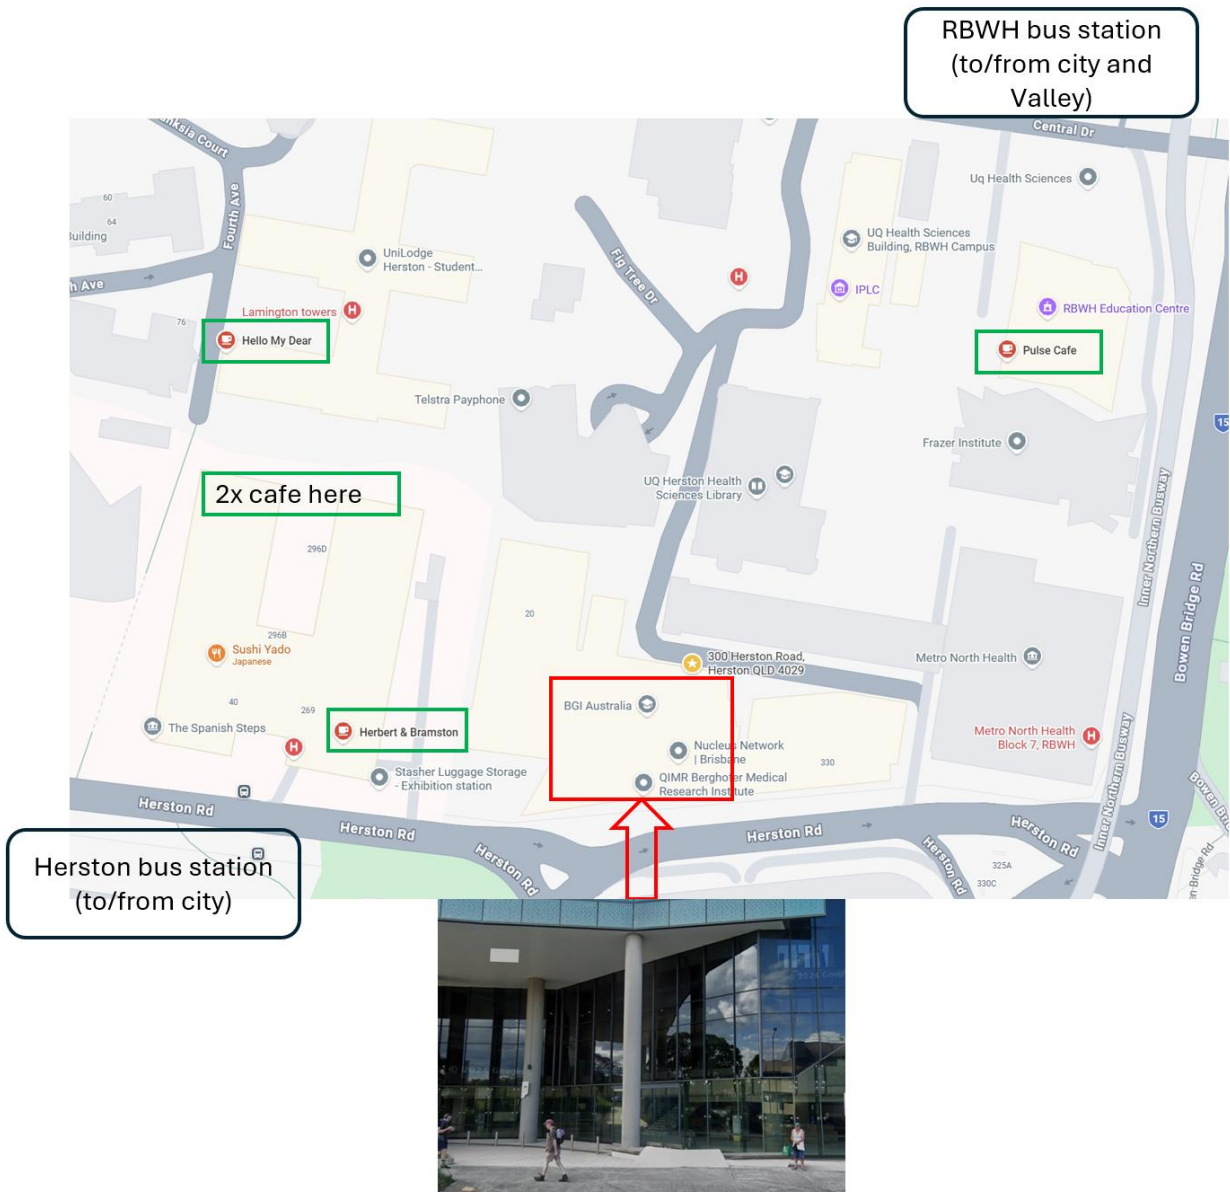

Some practical info below:

Address:

QIMR Berghofer

300 Herston Road, Herston
